

My deepest appreciation to Dr. Alberto Rivera (ex-Jesuit priest) for the information used in this book.

Between the Prophet Malachi and the Gospel of Matthew, Satan used priestly families of Jews including the Maccabees and others who collected and worked on manuscripts recording the current history during a period of about 500 years.

They recorded both secular history and Jewish legends, and pagan religious traditions from which came purgatory, prayers for the dead and other perversions of God's Word now used by the Roman Catholic system.

Some of these manuscripts became known as the Apocrypha.

The Maccabees were idolized as Jewish Freedom Fighters and their books were canonized by the Council of Trent.

Their Apocrypha, always rejected by Christians from the First Century and throughout the Protestant Reformation as being devilish, has been warmly accepted even by Protestants in the 20th Century because of the Jesuit conspiracy against God's Word during the translation of the original 1611 version of the King James Bible.

Satan had tried desperately to put the "Apocrypha" in the Old Testament.

But it was rejected and denounced by most Jewish rabbis as counterfeit.

No! We will *not* accept this as part of God's Word.

Note: The Lord Jesus never once quoted or recognized the Apocrypha as being Scripture, and neither did His Apostles.

Just as the Holy Spirit overshadowed Mary to bring forth Jesus,* the Holy Spirit also came upon the writers of the Old and New Testaments, resulting in the birth of God's Word.

Satan was powerless to destroy it.

Jesus said, "Heaven and earth shall pass away, but my words shall not pass away." Matt. 24:35

*Luke 1:33-35, 2 Peter 1:21, John 1:1

Satan attacked both the Word of God and the believers in Christ through horrible persecutions.

No one will find them here!

But New Testament manuscripts were being carefully copied by Christians and successfully hidden to preserve them.

Satan used the intellectuals in Alexandria, Egypt, to mutilate Old and New Testament manuscripts of God's Word, and the mess they produced is called Alexandrian manuscripts.

Satan is using translators today who base their authority on these mutilated manuscripts to cause uncertainty on the validity of God's verbally inspired Word.

The Alexandrian Manuscripts down-played the deity of Christ, the virgin birth, salvation by grace through faith, etc.

The true Christians rejected these phoney manuscripts as works of the spirit of antichrist.

The second attack came when the Roman Emperor Constantine* (the first pope) ordered 50 Bibles created from the satanic Alexandrian Manuscripts.**

***Sabotage," p. 20, published by Chick Publications

**Two surviving manuscripts are Sinaiticus and Vaticanus.

Later, the Roman Catholic "early church father," Jerome, used the same satanic manuscripts from Egypt to create the official Bible for the Roman Catholic system.

It was called the "Latin Vulgate."

The devil had successfully created his own Bible from his corrupted Alexandrian manuscripts... and out of this, he created his own counterfeit "church."

In 1229 A.D., the Bible was placed on the list of forbidden books by the Synod of Toulouse.

Satan's next attack came in 1546 during the Council of Trent. The Vatican declared the Apocrypha was "Holy Writ," and officially part of their Old Testament Canon.

Anyone rejecting this was damned as a heretic and burned at the stake.

Note: This dangerous law is **still** in effect and **will be used** in any future inquisition.

The pope claimed to be the only authorized representative of Christ on earth, and murdered anyone opposing him.

When Bible believers were caught with copies of the Word of God, they were slaughtered and the Scriptures were burned.

The name given to the preserved Word of God was "Textus Receptus" (the Received Text).

Satan intensified the war by creating the horrible Inquisition. The Word of God was the Number One target. Homes of the Christians were torn apart brick by brick looking for the Textus Receptus manuscripts.

Rome claims there is no salvation outside the Catholic church... but the Textus Receptus teaches salvation comes only through faith in Jesus Christ.

And so it was "seek and destroy time" for the Vatican.

Satan engineered unbelievable tortures and violent deaths at the hands of his counterfeit church which claimed 68 million victims from 1200 to 1800 A.D., and it was done in the name of the Lord. (John 16:2)

The Lord Jesus hates this satanic system whose religious leader dares to call himself "The Holy Father." Jesus calls it the mother of harlots and abominations of the earth. (See Rev. 17:5)

God's Spirit started moving in the hearts of certain men to rise up against this evil force.

Luther sparked the Reformation as multitudes rebelled against the brutalities of the Vatican. They were called Protestants and heretics.

Luther translated the Textus Receptus manuscript into the German tongue, giving Germany "The Word of God."

In 1525, Tyndale did the same thing in English. Rome burned him at the stake for his efforts.

The Vatican's power was falling apart. Everywhere, the pope was called "the antichrist."

Ignatius Loyola

In 1541 Satan, through Pope Paul III, officially welcomed Loyola and his deadly Jesuits into the Roman Catholic system.

The Jesuits are dedicated to the complete destruction of the Textus Receptus* by denying that it is verbally inspired by the Holy Spirit and they place their own theology and philosophy above the Holy Scriptures. *Word of God

And this is still going on today.

English royalty rebelled against the pope's authority as "the only lawful ruler of the world" (temporal power).

And for this sin the pope released his Jesuits upon England and immediately they infiltrated key positions to destroy her from within.

The following time line represents the battle between the Vatican and Protestant England for the destruction of the Bible (the Word of God).

1534 Anglican Church is established in England.

1534 The Jesuit Order is formed.

1545 The Council of Trent is formed to denounce Protestantism and establish the laws of Roman Catholic doctrine.

1553 A Roman Catholic queen takes the throne in England. Queen Mary murders the leaders of the Anglican Church reinstating Catholicism.

1558 Elizabeth takes the throne, denounces Catholicism and reinstates the Anglican Church.

1560 Reformation sweeps Scotland and they join Protestant England.

1588 King Phillip II of Catholic Spain sends the Spanish Armada to destroy Protestant England.

1604 King James authorizes a translation of the Bible for England.

1605 The Catholic plot to blow up English Parliament is exposed.

Catholic plants, stationed in the English court, leaked the news that King James intended to authorize an English Bible based on the inspired manuscript (Textus Receptus).

Holy Mother... this could be disastrous if such a Bible got into the hands of the masses.

The news electrified the Vatican. Jesuits, skilled in languages, were immediately ordered to join the Anglican Church.

Certain advisors trusted by King James were deep Catholic agents. Now was their opportunity to serve "Mother Church."

We know just the right men, your Excellency.

Puritans suspected that some of these men chosen to assist them were not of God... They complained to King James, but he overrode their objections.

The plot was to secretly switch the text containing God's Word and replace it with their Roman Catholic (Vaticanus) Alexandrian manuscript.

God stopped these undercover Jesuits from destroying His Word by having guards posted at their tables watching every move.

Then they moved to place the Apocrypha in the Old Testament, which also failed.

Their last mission was accomplished (on a temporary basis, until the plot was discovered) and that was to place the Apocrypha between the Old and New Testaments.

The Apocrypha is a blasphemy against the Word of God.

Once the Apocrypha was between the covers of the Protestant Bible, the Jesuits believed that the Protestants would finally accept it as the Holy Writ, and then turn to the Vatican as their final authority.

Now that the King James Bible was printed the Jesuits swore to destroy those Protestant translators who opposed them. They systematically eliminated both their enemies and their families.

You must know how we deceived you.

Later, two Jesuits were soundly converted and they informed the Puritans of the conspiracy against the Protestant movement and the Word of God.

The Puritans were now on the alert.

The Jesuits were afraid that an English Bible printed without the Apocrypha, read throughout England, would end Catholicism throughout the English speaking world, and would block any ecumenical movement in the future.

I hear the unspeakable is about to happen.

The heretics will remove the Apocrypha?

Yes! And it will set us back for centuries.

In 1655 the surviving Puritans brought forth the entire 1611 edition of the Bible without the Apocrypha. This was God's victory over the Jesuit conspiracy.

God blessed His Holy Word as millions heard its message. Preachers loved it and knew it was the Word of God. They preached with boldness and assurance.

Note: There were no footnotes by men. None of them dared to add to the Word of God.

Missionaries began bringing light to the dark places of the world... And in the Vatican, they were grinding their teeth in anger.

And under instructions from the Jesuits new cries could be heard in England, like "Let's update the Bible! It's obsolete!"

Then Satan moved.

Against protests, a committee was formed to create a "new and better" translation of the Bible.

Westcott

Hort

Two men in the committee, Hort and Westcott, (both men were "closet Catholics"*) put tremendous pressures on the others to accept Satan's Alexandrian manuscript (Vaticanus) from which they produced their new Bible.

Satan pulled it off.

*Which Bible? pg. 278-281, by Dr. D.O. Fuller

Unknown to the Protestants, they were now stuck with a Roman Catholic Bible called "The Revised Version."

The Vatican was again on the offensive to wipe out the Word of God... Jesuits were sent to infiltrate all Protestant theological seminaries and Bible societies.

In time, the Jesuits got into the Bible departments to teach the young impressionable men who would become future Protestant pastors.

The Greek they used* was from Satan's Alexandrian manuscript (Vaticanus). Of course, they wouldn't match up... But the students didn't know they were being deceived.

*Nestle's Greek Text (from Alexandrian texts)

Daily in their classes the Word of God was criticized and cleverly put to ridicule.

Young men who came believing the King James Bible was the Word of God were soon turned against it.

The Vatican was so successful that today almost every Protestant school of theology relies on Satan's Alexandrian manuscript (Vaticanus) as their final authority. **Their light has gone out.**

Pastors and radio preachers are constantly correcting the Word of God and recommending other translations.

"The Vatican is busy secretly pouring millions of dollars into multitudes of new Bible translations, each one based on their own corrupted manuscript."**

*Westcott and Hort Greek text. **Dr. Rivera

In the past, men have given their lives for the Word of God. Today, they don't believe we have it.

Many churches have already discarded the Word of God and replaced it with corrupted versions like the R.S.V., A.S.V., N.A.S.B., The Book, Good News, The Living Bible, The New King James Version, Jerusalem, N.I.V., The Common Bible, etc.

Your old King James Bible (the Textus Receptus in English) is the infallible Word of God... Don't allow it to be thrown out of your church.

*The N.A.S.B. denies the virgin birth by substituting "father" for "Joseph." Joseph was **not** Jesus' father.

What we see is prophetic. This is the great falling away before the Lord Jesus returns in power and great glory.

Hold fast to His Word.
It is the **only** thing that's true.

Will the devil succeed in destroying the Word of God from this earth? **Never!**
The Bible says: "Heaven and earth shall pass away, but my words shall not pass away."

Matt. 24:35

We must occupy until He comes, and preach the gospel to every creature.

The Word of God is quick and powerful. This is why Satan hates it. It cuts him to pieces. In these last days, let's be obedient to the Word and go after lost souls.

Check this verse; over 95 percent of all corrupted versions tamper with it.

"For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one."
(1 John 5:7)

If that verse is messed up in the Book you call "The Bible," then you know you're looking at a translation that came from Satan's mutilated Alexandrian manuscripts.

Also beware of Bible footnotes.
They often favor the Alexandrian texts.

Now that you know the difference,* Satan can't trick you again. Let's be about our Father's business and lift up Christ to a dying world.
